## SUPERINTENDENT'S MESSAGE TO THE CLASS OF '86

Dear Members of the Class of '86:

It is an honor to have this chance to speak directly with you. You are about to embark on an unparalleled mission - a series of challenges that you have never imagined and a life of opportunities and experiences far richer than any generation before.

You have survived a great time of change in the world, in Plainfield and its schools. This world is open to you, as no generation before.

How will you respond to these challenges? I would hope that your response is confidence - in yourself and in the education you have received in your schools, as well as the nurturing of family and friends.

All that we in the schools can hope to achieve for you is preparation and a love for excellence -

- preparation for higher education, at an institute, trade school, college or university;
- preparation for a job that will reward, not only monetarily, but lead you to lifelong satisfaction and fulfillment;
- preparation for the expectations of society, to be a productive citizen, and an asset to your community;
- preparation for the herculean responsibility of beginning and nurturing a family;
- and, finally, preparation for leadership and success in today's and tomorrow's world.

Self-confidence, and the wisdom that comes from knowledge and experience will carry you through the times ahead. If the Plainfield Public Schools have planted the seeds that will provide you these things in the years to come, surely we have succeeded.

We are your family, and you need to know you will always be welcome to return to visit us, again, to share in your triumphs and to ask our advice when times are trying.

Your teachers, principals and every single member of the Plainfield school staff are concerned for you, welcome the opportunity to continue serving you, and to provide the support it will take to excel in the years ahead.

I am proud of you and wish all the very best for you in your every endeavor. The faith and pride of the entire Plainfield School System and its Board of Education go with you in everything you do. Thank you for being a great credit to that faith and pride.

Sincerely,

Oliver Lancaster

# Model Congress 1986

Final conference upon returning to PHS. Left to Right, B. Franklin, T. Donovan, R. Garrison, R. Edwards, T. Williams, J. Johnson, B. Brown, R. Liggon.

On the weekend of March 21-23, 1986, 33 Law & Political Action students traveled to Stocton State in Pomona, NJ to participate in the 17th Annual Model Congress.

Model Congress is composed of app. 500 students from across the state who compete in Congressional Committee and Full House or Senate Debates. Bills must be submitted and researched well in advance of the weekend.

Preparation for this event took place at PHS with long hours of bill selection, research and classroom debate both pro and con before leaving for the weekend activities.

Politics being what they are, the Political Parties, Stars, Stripes and KEG were also represented and lobbying for Committee approval and Full House or Senate passage of their bills was an exciting part of the weekend activities.

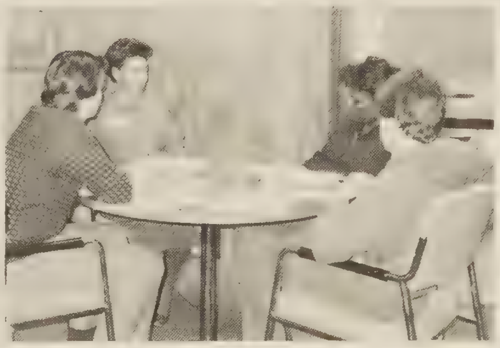
Awards were given to recognize the "Best" school reps involved in Leadership roles and Jill Johnson (Star) and Ben Brown (KEG) were chosen Best Party Leaders.

There were only 34 Committee Chairs and representing PHS were: Tom Donovan, Robin Edwards, Bryon Franklin, Renetta Garrison, Raquel Liggon and Tawana Williams.

From over 500 Committee bills only a few are eligible for Full Debate on the House or Senate floor. This year, of the 5 Best Legislation Awards, one was given to Howard Dashiell for his bill to abolish the electric chair which was hotly debated on the Senate floor.

The other Senators or Representatives to the Congress from PHS were: Jennifer Allen, Rod Alston, Rochelle Barham, Regina Barkley, Danny Bender, Tyrza Blake, Billy Brister, Denise Brown, Steve Brown, Erica Dotch, Brenda Drayton, Tomara Fisher, Taraka Gilbert, Rebecca Hendricks, Ken Jenkins, Gwen Jones, Ramona Journigan, Veronica Luck, Krystal Miller, Yolanda Murry, Cathryn Smith, Deborah Warner, Gina Wilkinson and Nina Wilkinson.

Mr. S. Marsh and Mr. P. Pannone are the course instructors.



Leadership Day: PHS reps meeting in strategy planning sessions with the reps from other schools.

1985 — 86 marked the first year for Peer Leadership at P.H.S. Chosen along with Camden and Trenton as Urban Pilot Schools, this program is funded by the Fund for New Jersey.

12 Seniors, acting as Co-Leaders met with groups of 10 — 12 freshmen and through discussions and activities tried to help them develop leadership skills and provide options for encounter problems in or out of school.

Meeting every Thursday during the 1st semester and Tuesdays and Thursdays second semester, they met with approximately 144 freshmen over the school year. The ultimate objective of these sessions was to foster some type of behavioral change in the freshmen.

The pilot group of Co-Leaders met the challenges presented and proved to be effective, dedicated and responsible. Overall, the Seniors developed more awareness of the responsibilities of the school experience which will follow them throughout life.

Funded for the next year, the P.H.S. program was evaluated by Columbia Graduate students and received an A+ rating.

Hopefully, some of the freshmen will become future Peer Leaders. Program expansion includes raising the number of Senior Leaders and expanding the program into the middle school for high school preparation.

Congradulations are in order for this outstanding group of Seniors and the Peer Leadership Staff.

Experience had shown that once a student has learned to master difficulty of not familiar, they learn to enjoy and appreciate all types of music.

This year marked the first year for Advanced Chorus. In December they were given the opportunity to perform in conjunction with the Newark Boys' Chorus and also at the Superintendent's Annual Reception.

A selected group from the Chorus participated in the All-City Chorus and later in the Union County Festival.

Senior Virginia Amato, soprano, was one of 400 students selected out of app. 2,000 who auditioned for the NJ All-State Chorus. We wish Virginia much success as she joins the growing number of students embarking upon a music career.

Sophomores David Anderson and Kim Bond were featured in many of the choral selections in the spiritual and popular mode.

We are looking forward to hearing much more from this select group of young people.

"The beginning is the most important part of the work," and as you cross the threshold into adulthood you should keep this thought in mind. As you start your "new life," remember that the attitude you establish now will carry you henceforth.

The Senior Class of 1986 is very special to me for it is my first graduating class at Plainfield High School. May I wish all of you success and prosperity in the years ahead. A fantastic group of students as you have an opportunity to excel in any endeavor you choose, the deciding element will be how you feel about yourselves, and the amount of dedication and work you are willing to expend.

May peace follow you.

The Varsity Cards Lady Tennis Team continued their winning ways recording a 10-8 season under the direction of Coach Ken Bandomer.

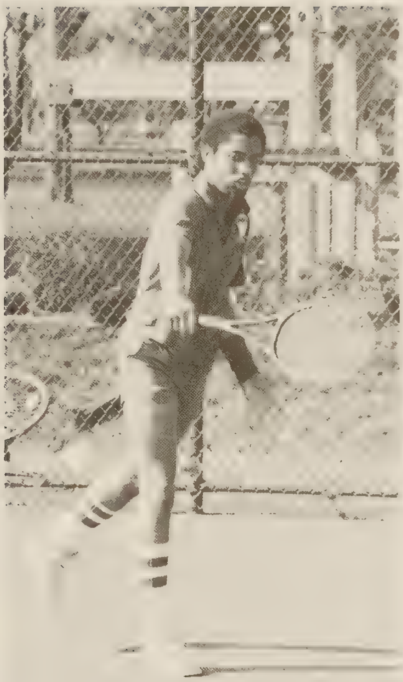
Playing against the strong Watchung Conference, the **Lady Cards** held their own under Captains Armie Bacarro and Jill Johnson.

The Outstanding Senior for 1985 was Armie Bacarro.

Members of the 1985 Squad were: A. Bacarro, J. Johnson, V. Mulvaney, A. Thorpe, N. Mingo, M. Sanchez, T. Moore and T. Howard.

Season Managers were: D. Lindsey and T. Donovan.

# Boys' Tennis



# Football

Injuries decimated the ranks of the "few good men" who were academically eligible this season. Playing a Watchung Conference schedule with only 25 players is like playing Russian Roulette. Co-Captains Mike Riddick and Jerald Lee both missed games because of injuries. Senior stalwarts Billy Guy, Derrick Caldwell, and Nip Anderson also were handicapped by injury problems. Gutsy performances by Howard Dashiell, Keith Bilal, Charles English, Tommy Anderson, Franklin Spaulding and newcomer Bryon Franklin gained the respect of our opponents and made every contest a close one.

It has been said that adversity is the real measure of the character of a man. Those young men faced adversity in the eye from September 1st and stood tall throughout the storm. They represented us well.

The Sharks ended their season with a 4-9 record. Because of academic requirements, there were no divers and this effected their over-all seasonal score.

Sophomore Steve Quiring placed 12th in the 500 yd. freestyle, while Medley Relay team of Phil Jackson, Dan Yarborough, Steve Quiring and Captain Tommy Donovan placed 10th in the Union County Swimming Championships.

This Season's members of the 60 Club were Tom Donovan, Philip Jackson and Steven Quiring.

Starting the season with a new Head Coach and academically limited to 12 playing members, this highly competitive team ended the season with a 6-17 record. 8 of the season's losses was a 1 point difference in the final score.

Under the direction of former assistant now Head Coach James Bailey, this raw and basically inexperienced but enthusiastic team earned a quarter final berth in the Union County Finals but lost to Union: final score, 67-66.

7 of the 12 players will be returning next season and we say goodbye to the Seniors; Bryon Franklin, Fred Hines, Billy Guy, Jerald Lee and Darryl Strond.

We look forward to next season with the returning 7 plus the J-V's eligible for Varsity play.

Many of the J-V B-Ball Cards were new to the game, but under Coach Rich Shello improved over the season.

Although the team made the Union County J-V Finals, they fell to Linden.

Things are looking good for the B-Ball Cards next year with the returning players; Ronald Carter, Demetrius Carson; George Garrison and Steven Morris.

Playing some of the strongest teams in the Watchung Conference, the Cards held their own.

The Lady Cards Basketball Team ended an exciting season with 14 wins, 5 loss. This was the 8th time in 10 years the Lady Cards reached the Union County Finals.

Small but mighty, the Lady Cards experienced a successful season in spite of the height factor when compared with the other teams in the Watchung Conference.

The return of Seniors Cynthia Kaigler, Erica Allen and Yolanda McNeil added to the teams success, and through quick and agressive moves gave the opponents a worthwhile and challenging game.

The overtime lost (49-46) to Undefeated Union Catholic was the highlight of the 1985-86 season.

Living up to the "Cardinal Rule" our Lady Cards proved that *To Never Quit*.

*We are taking this space to say a fond good bye to Coach Harry Lambert, who is leaving coaching the Lady Cards with a final 10 year record of 212-35.*

*His time, effort and dedication to the game is greatly appreciated by both past and present team members and spectators as well.*

*Good Luck Harry! Success in what you do, The Lady Cardinal Basketball Team(s), will truly miss you.*
